

iopak ahead of the pack

This brand new IOPAK rotary lobe pump, is reliable and very reasonably priced!

FEATURES

- It designed to handle viscous or sensitive products with large particulates.
- The butterfly curve of the rotor, ensures a characteristic smooth low shear pumping action.
- This leads to the gentle throughput of delicate and sensitive products, without crushing or breaking them (certain soft fruits in large dice format excepted)
- Easily dismantled for sanitation
- Low noise level
- Value for money
