

Brand new machine at excellent price!

- Infeed and outfeed rollers. Normally an optional extra for carton tapers.
- Mounted on lockable castors. Mobility when you need it, stability when you don't.
- Box height indicator. Clearly marked in centimetre/half-cm divisions. Makes adjustment a breeze.
- Driven by 2 powerful 120W motors mounted beneath the conveyor. Better grip and torque for heavier boxes.
- Carton guides. Position the box for precise tape application.
- Tapes both the top and bottom of the box
- Includes tool set.
